Membership subscriptions are now due for 2008. Letters will be sent out in the post this week with a membership form included. As stated in the AGM post the subs have been changed to the following:

Family membership €25.00

Adults €20.00

Unwaged, students, Senior Citizens €10.00

If you are a student etc please send a photocopy of your student card etc.

You can send the subs by post or bring them to the next meeting. If you want to post your subs please send me a pm and I will give you the address.

Dont forget that being a member of the ITFS (and other clubs in Ireland) entitles you to a 10% to 15% discount with participating Fish Shops. You are also part of a group of fishkeepers who are the foundation for the Irish Federation of Aquarist Societies to move the hobby forward.

Do we enclose the payment in the post or a postal money order will do as well?
