
The big one.

Hi everyone.

Looking forward to the new year for the LFKS. Loads of big ideas for gaining members and raising funds. This really is going to be a big year. I can't say too much as it is top secret. All will be revealed at the meetings.

Last year was a phenomenal year. We gained over 40 members and we raised over €1200 alone. Hopefully we can achieve the €3000

mark this year. Don't get me wrong the club is not about money.

But if we want to have shows/talks and organise proper trips we need cash.

Back to the real stuff.

I have to say that it is a credit that we have so many experienced and genuine fish keepers in the LFKS.

Every area is covered from Goldfish to Marines. The knowledge

in the club is second to none. New comers to the hobby who

join will be taken under the wings of our senior members

and groomed into proper fishkeepers. All this is done with

an element of fun thrown in.

It is all about fish keeping. Like minded people meeting

up to talk about their hobby and maybe have a few pints.

If you want to share your experiences of fish keeping

and maybe broaden your mind then get your ass down to the next

LFKS meeting in the Goblet pub Artane.

Looking forward to meeting you all.

Anthony.....
