Posted by Valerie - 2008/02/01 12:27

Hello all,

Just to let you know that I am getting ready to launch the 1st meeting of the 'Connaught Fish Keeping Society" ... :woohoo:

I still have a few things to organise but, for now, I am looking at the evening of the 22nd of February 2008. This is a provisional date and will confirm date, time and venue (Galway somewhere) in a couple of weeks time.

If you are interested in attending the meeting, please do not hesitate to contact me by PM or email connaught.fishkeeping.society@gmail.com.

Looking forward to getting the ball rolling in the West ! ;-)

Kindest regards,
Valerie

Well Valerie, you've started - at least you've taken the first step...very good.

And there was me hoping to recruit you into my proposed "Munster Aquatic Society", but there again you are out of the Province so would not really fit in...good luck with your venture though.

;o)

John,

I think you would get a good few people interested in a Munster Aquatic Society as there's is nothing much around your region unless you are down in the very south of the Province. PM me and we can have a talk about it.....Tom.B)
