
At my request

Hi all,

After being in contact with members of the LFKS committee and hearing their side of the story, I now know everyone, including the committee were in the dark about the new website.

Perhaps I was hasty in putting up my "courtesy" post but at the time it felt like the right thing to do as I strongly felt that it should have been discussed before it was announced that it may be the LFKS website as I am a firm believer that a club is its members not one individual alone.

Thus,

I have asked Chris to delete the "courtesy" thread from this website.

Glad you seen sense Micky.

All is forgiven. At least I know I am not the only mad fewker on the forum...:laugh:

The new forum was hidden from no one. I spent a long night adding content and then posted in the news section about the forum and it was moved (very petty imo) and posted in the LFKS section.

Apart from Mick and Chris no one else knew about it.

Anyway I hope you will remain in the club, loads of big things planned this year.
SEE YA SOON.....
