The next meeting of the Irish Tropical Fish Society will be held on Tuesday the 13th of May in the upstairs meeting room of Rosy O'Gradys Pub, Harolds Cross, Dublin 6 from 8.30 pm

I have been busy over the weekend scanning the old slides from the club library, so there will be a slideshow Tuesday night, some of the pictures are not great quality but they are very interesting. There are some of the old planted tanks dated from late 1960's and early 70's! Also some old marine tanks, interesting to see how some things have changed ...

New members welcome.
