
June Photo Comp Winner

Posted by Valerie - 2009/06/10 00:42

This month Gavin from Wackers is kindly offering a EUR50 voucher for the winner of the Photo Competition.

Submit one picture (no theme this month) to photocomp@irishfishkeepers.com before Tuesday, the 30th of June 2009 and the winner will receive a EUR50 voucher !!!

We looking forward to receiving your entries !

Some Rules:

- Competition open to forum-registered club and non-club members,
- One submission per entrant,
- The photo must have been taken by the entrant, can have been taken anywhere and must not have been previously published on the forum,
- Photos should be submitted in jpeg format and a maximum of 1.5MB,
- Digital edition is limited to cropping, resizing, contrast adjustment and sharpening (No photo-shop altering). Frames are allowed.

The Forum Team :)

Re:Photo Comp - June 2009

Posted by Admin - 2009/07/07 03:41

My internet has been crap for teh last two days, it has taken me an hour to get here now!! I understand that other Eircom Broadband users are having similar problems so the voting remains open until tomorrow evening and the winner will be announced tomorrow night.

i'll give yis a laugh...

i know curefan, we are old buddies...
and one night after a poker night and many lubrications
I was mouthing off about how amazing my tank was going to be
and we agreed to enter the ADA to see who scored highest.....
(he was re-doing his tank after moving house)

my tank is currently under severe bga treatment and a total mess...
theres himself winning the photo of the month!!!

ah well.....

4 it looks like curefan won but who won the strip poker :laugh:
Curefan it would be great if you took some photos and named some of the plants and decor used. Also how much Co2,
light and what fertz you use.

=====

Re:June Photo Comp Winner

Posted by fourmations - 2009/07/10 06:03

ermm, it was boys only poker, so no-one was
in a hurry to strip :laugh:

i'll let him chime in on the finer details
but i know he uses arcadia t5's, tpn fertz and fe co2
its a juwel vision 260 tank

cheers
